DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose that the only consumption amount of the recording medium monitored within a distribution service is the print-output of an advertisement with a questionnaire. Thus, the applicant is able to overcome the prior art or record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
